So we're supposed to do this briefing without any materials? Maybe OCIR should do the briefing. And do we have any idea what these staffers are interested in?

Hey, Ayn -- Just wanted to be sure you were aware that we will not be providing, or offering to provide, any written materials to Rep. Rush's office. In the pre-call with HQ and Region 8 folks, it's fine to mention the presentation for internal EPA reference, but OCIR advises we don't bring it up during the briefing, itself.

Many thanks for your continued assistance in responding to this request!!

thanks Sandy. I did not see the info about scheduling, but I can be available at noon next Wed. I have a short overview presentation that might be an efficient way to cover the background piece if that makes sense.

Hi, Ayn -- Just wanted to be sure you saw that the tentative time for this call is Feb. 13 at noon Denver time.

I'm assuming Pamela will send out a scheduler once it's for sure a go.

Thanks!

Thanks Sandy. I had heard Jeanne has not been involved. Also, I agree with Ayn on R8's role for briefing. I'm waiting to hear back from folks on whether management concurs with Ayn & Fred as appropriate for the briefing. Thanks for keeping me straight.

Rush's staff is hoping to grab 2/13 at 2:00 for a call.
